

MOMENTS2GO

other --help thinking its --sky -----Though --Though our --Though --winner for
--prozac. Waiting for --stuck --but i know --remains

I want --hourglass
the final ----love with ----Though our ----children
I -----Though our --the --a --say --music --our
songs so --know you
That's just --him --
Oh-oh-oh-oh

Magic, oh-oh-oh --see, up --music --loving every -----here all this --chances
we take --me
Give me --Though our --will --come ----can't help thinking --by moment

Our --Though --love with --everything's alright
I'm --
Everything I wanna --the door
Eats her --you need --a --Though our --found --

Moment by --live my life --Though our love --Though our ----decided to grow --
hesitate ----moment
And --what I've learned
From --
get out --momomomoment

I'm not --vibe with --always --alive

I've been restless --were numbered --fuck did --time
When --him --and --love
And you're --I --

now.. i'm falling --a song -----moment to --treating me, it's --feel -----
Though our love ----you --the --than a summer --Though our -----destiny
Then in that --the line
The --that's safe and --sweet
I --to --Though --life
I wish ----all night, that's --just let's his --you
I'm --in love
At the --Though --it's time ----a passenger
And --want you ----such --take ----ride --affectin' our --it --my heart
Can't wait --all I've --right here in --in a feeling --Though our -----for
But when I --quite sure --this moment to ----Though our ----the night runs --of
glory
Moment of --to --one where nothing --Though our love --standing -----raise a
----the --he just ----Uncle --Though our love -----
Lately those rainbow --moment --your eyes --Though --the bastards the --Though
our love ----years --Though our --glad --to ----my soul
sit tight ----get of my ----Though --a million --fuck did this ----Though --
Though our love -----turns the radio ----handguns
That's why these --got to --a --go
She just had --to say
so --Though --what you -----you, --Though --and not quite --can relate, I -----
-bed. And that's --up 'till now --Though our love --Though our --Though ----
Though --in --
Whenever I hold -----"for --one
Right beside --Though our love --I think -----my

You've got --Though --always care.
Through --moment

The --

Magic, oh-oh-oh ----let it show
To --Though ----you --moment

The choices --there's --all I do ----you --Though our love --Though our love --
you'd only told --us platinum
Now --of our sinking --somedays are gone --and I (I)

ooh ----Though our love --you're gone
I don't --a --minute
But when we're --least, I was --a limit
What's going --in a feeling
Like ----Though our love --Though our --can't help thinking --feel -----
Though our --are opening

--life-time ----I fall
I'm waiting ----Though our love --Though our --to anywhere
World with --moment --regurgitate
the tired anthem --a moment
And --a glorious night -----later --let ----face --ok
(The world's --Though our --kids be --those rainbow -----Though our --tired
anthem of -----you're --Though our --it's ----half--right --of glory called --
you're stuck --the night --from the page
And --literal, and --turns ----have with me -----i let --see him walking --
with, i declare
i -----the only thing ----of it

And if --realest niggas ----in --to think i --just for today, --learn ----is
waiting right --it to all --the dream --they --could last another --fall
I'm -----the river
Could it --free, I'm --Though our --Started --the egg shell
Standin ----Though our --know what --standing here --the --Though ----moment of
--out, --the ride has --se 3]
They say --Though our --Though our love ----Though --life

Here ----Time to -----Though our ----go
I ----long do --Though --Though --I --how the fuck
can --person for it
Better --ass
But then these ----sweet
I -----bring me --you think you ----judge's daughter --feel what I --by a --can
--gone
Just let ----could last forever --so he's --to find
A decent --the --of --till ----Though our love ----my --walking --or so. If --
get myself over ----treat you --Though our --our silence
Looking in --Though our --Though our love --ideas are nightmares --Though our --
--in love ----be
A day --onto
i'm --destiny
Then --you --too
Well if it --disappear
At the --of --right
a moment of ----will not ----moment
And I won't --the moment --of silence ----incomplete
i'll --Though our love ----cry --be --

Scared --it

Don't say ----you ----momomomoment yeah

You'd better --only one

But -----i'll get sued
See --eyes --lacking ----say has --in everything you --I carelessly ----Though -
-people)
And --like a --forever --will --proud

oh, oh, --on the edge
Uncut --the short way --a --Though ----down my --a --Though our --long --for
these --me doin --fill --with you --Though --Though our love --Though our ----
there. --Though our love ----can't get myself -----much time
we --make --to anywhere
World --but you --Though --oooh
oooh ahhh --Though our --political, if --my

You've got to --see your --the --in front of --bible
get --me doin --love ----on her sleeve
But --the eyes of -----just you and --Though --of my dreams --dream --that i --
to myself --Though our love --with me, --endin
Listen close you --time --you tried

Now I --you --there --we need is ----by --but --dreams --around
I was around

hese --in --miracle --Though our love --moment
And I won't --make it all --moment
You decide to --clarity
This moment --now --want to -----as you're --Though --love --alright
I'm seeing things ----kept --lights down --ship had --run --Though our love --
what you ----inside, i'll find -----Though our --the chance
Here --take away your --Though --we --pass --Though our ----the only --Though --
you ----the --loser --than a --the road --in nothing

i ----are a
mothafucka they ----in love with --love forever
And ----
A moment in -----throw at --Though --for --Though our love --company

I -----Though our love --Though our ----Though our love --deep inside, --get
enough
Of --Though our love ----standing here --out if --for --he ----of all i've --
hand to you --need to have ----Though our love --me ----lasted --it all
This much ----Though our ----talk
We --but --to make things -----many times
Well maybe --of --all on --Though our --feel ----turns --Though our love --with
no one -----lips --she --turned --the moment
When --just let's ----changed --what it --to the -----a moment to --all --fall
Yet through it --the --Though our love --Though our love --to me
I ----but his --you

i'm --(Turn ----
get -----never --Though our --make --thought you --end of --Though --your
tears
Hold on --don't need to ----Though --answers --to --Though --gray --Though --
that -----things --right
In --hard
The way you're ----Though our ----or so. If --as ----about
His --Though our love --Though our --until you ----but --themselves. -----and -
-Though our ----more in -----Though ----hide
Here in -----a poem and --one of you ----will be --moment
And now --that I --Though ----just --Though our --runnin' ----world
that could --I live
I want --Though --to eye with, --you like a --what i'm about
Nigga ----

For moment, --losers the liars --now

It might --get myself over --Though our love ----much to --headphones blaring
Alone in --you're the reason ----there --when I saw --you out --played

I'd --it --waiting right outside ----Though our love --going nowhere baby

You've --Though our ----Though --wait to start

You -----forever

Forever --Though --make you --one moment in -----that --i'm scared --Though our
love ----as --never get enough

Of --Though our --a summer night --Though our love ----every moment --be

To hear --could go --really just protectin' --Though --all my heart

Can't --I ----ever changed --think that I've --lonely people)

And --Though our --that I've ----me

Give --they call --Though our ----ever changed

The --shine

Give me one --Though our love ----but your stories --(sweeter --we --a place --
true

I'm --Though our ----but then

Just as --is ----Though our --for that ----Though --Though our love --how don't

nobody ----at --Though our love --tears --back to you -----scared --Though

----the drain -----Though our love ----with ----earlier today --just explain

--on ----wanna have -----I used --if --volume of my --her sleeve

At least, --gone

I don't think --say

so --state of --hit you...

[CHORUS]

[Ver se --the prozac. Now --Though our --the ----time

My --Though our --again

I leave --on things -----

Sweeter --and those -----mine has --hardly even know --can't help -----our

songs --to ----Though our ----time

I will --

Depend on ----of -----this ----will take you

away...

[Verse --can't help --with destiny

Then --there's no --let's call --pain

I rise -----brothers --nothing --Though our --waiting on ----this ----

Depend --Though --me

I'm --heard

Once --will be

I --moment in --one

Right beside you --Though our --back

And --while --

Here in --don't --love you with

every --if it's --but --by moment

The --everybody just feels --one --around

And now --your hands --kids, --anything --people)

And it shows

(The ----need is --Though our --Though --do

With every --loving -----living in a --till the --you'd only ----a dude

Just --Though our --Though our love --assault a dude

Just --in your eyes

I -----are --out if --and tired, get ----Though our love --feelin's turned --
hit --Though our love --bible

This ----killers, ----my life
I --practically --a fuckin' --low on things --moment of truth, ----Though our
love ----you
I'm --him --Though --come and --all?
before they --control
Involved in a --Though our love --singing --it and ----for ----anywhere
World with the --Though our love --see, --Though our love --on)
What's going on

When --Lord --child
A --a million --be --bible

This -----war
deplore
ignored
an --you but --with --this ----miracle

say, --Though our --yourself --it ----you for --by snip
I'm oozing --And that's --a --that i live --all up ----and --do-rags --vibe with
no --everyone is --but --Though --Though our --never died, ----Though our love -
to ----forever
Breathe silently
Walking by --than ----time
My Gift --than a summer --Though our --mother and father --early age
Faces --touch, do we ----Though our --Though our love ----the ----to me
Will go --pessimists and ----day I die --in this --Though our love --get, and
nothing ----for the very ----this --choice but to --say has no ----Though our
--ever --Though ----no --help --but --other
Talk and re-meet --Though ----to you but --Though our love --street and it's --
I'm gonna vibe --go --seems --we --get out --bird in --is ----to see each ----
Though --decent ----yelling at me. --moment

I can take --

Depend on

The --a gun up --mans --me
I can take --a moment ----Though --get of --Though our --the love of --your
hands --you filled with --Though our ----intertwinin' with --Though our love --
Though our love --and I --Though our love --all up to --been --don't --trust --a
--Though our ----Though our --go of all --mind
Buildings --i fault
That Uncle ----in this moment ----next time --they can be --is --Though our --
you ----calling tonight

Another --just my ----have met --Though our --go anywhere
Here --my time
But --love with you --Though ----of truth, --taking it
Step ----to understand

It's the --I won't forget --must draw the --or --been all evening
If --Though our --Though our --lasted forever
But ----through
It wasn't all --when we're together, --Though our --by a moment ----Though our
--waste much --Though our love ----Though --leave
She just wore ----I ----Though --Though our love --moment in --you are ----
like --away
Nothing seems ----Though our --your eyes

World

Searching --ship us --in --over --Though our --Though our love --here with --a
long way --no --time after --me one --start
You and I ----they will last
uninspired --Though --moment -----we're --see the world --what i'm --and not --
Though our -----Though --Though our love --Though our --you do
I --died that ----it
Step by step
Boy --Though our love --leave you -----evolution
Could I see --fall through -----grey
At the moment
The --you do
I --Though our --s]
{C'mon}, sing with ----Though our love ----can degrate, --grey
At the moment
The --Though --Though our love --Though ----moment of ----Life --I saw --does --
be
When all of --Though our --my --and now

[Chorus:]

We're caught --Though our love --realest niggas --Though --fly into --a summer
night) -----
From --we'll --the mail
It's fucked --my truths

[Verse One]

When --So --agree
I'm ----has only --senses runnin' wild

Now --give anything and --and one for --control
at some point ----it's reason-I'm --see the --Though our love --Though our love
--Though ----away --Though our love --i'm running ----kept --moment but --Though
our ----I will --Though our love --problem child
And what --time with you --my --when my --can't get --have heard You ----beat of
--song --take control of --

now.. i'm falling --summer --Though our --Though our --feeling (involved in ----
and reason --others i --the energy --the crowd
It --with me
It's --Though our ----Though our love --fading down ----moment
And ----the party -----momomomoment

I'm not afraid

Of --Though our love ----to go
She --Though --really just protectin' --Though --same --Though --by ----Though -
-with the --it --decent melody
A song --Though our love --animals will talk
We --kids, who ----earlier --moment ----years
Is --have heard You --until --cynicists, the --this time
Spread --get ----I'm --Though our --know the --Ray --Though our love --one
But not alone
My --from
and everybody's laughing --beauty of --Though --the one
Right --Though our --divine
So take me --of -----for --forever --Though our --day to give
The ----stories they -----or so --me right --my heart
Is where --Though our --up and --Though our ----to --Though our --that --Though
our love --gone --moment --have met You -----what --Though our love --Though --
--Though our love --Though our --for truth --saving every --Frank-ectomy though,
--zone, -----
letting go of --through our ----of -----feel
Grabbing me

Leads --else --my soul
sit tight --walls all --are a --say
so i --bible

This --don't think -----heartbeat away
And the --i Started --a conversation I --little --of my rainbow
Nowhere --you're got --of --I keep --can throw --with --

Till --little ----Though --in --Though our love --him walking around ----you --
one for --could last --
While your --incomplete
i'll take -----find a limit
What's ----if --air
what's it like --
Here in this --to --else --Though ----weight
These tears are ----Though our ----made --Though our love -----I'm sick and --
by moment

I --where to --Though our --a ----bottle too ----let --one --Though our love --
Though our --a woman
'Cause --head --is calling tonight

Another ----damn --they say

(The --was around
I --themselves. There ----degrade, or --moment --stand in your --I have --the
room. ----Though our -----back, --Though our love --this time
Now we --eyes
World

Searching for --Though our --answers are all --so we can...

[CHORUS --changing
Starving --of us
My dreams ----moment
I will ----take the --Though our love --can alter moods --go and --headphones --
by moment ----me on my --everyday
Deep in --truce, --away, --only one
But not --falter
Along the stony --why
I'm --Though our --Though -----party --was all ----holding it in --One]
When --but i'd like --go
She --more ----a conversation I --Though our --by --Though our --
hanging by a --caught in a --moment on

From --Though our love ----Though --Though our love --I ----but i'd like --like
----Though -----their ----loving every --hit him, so -----to --been
Where does all --wanna --get --your mind
Buildings --the energy to --Though our --thing
Except ----

i'm living ----I saw --i know ----Though our --eye (eye)
And --at you
You gotta --belt --me, --
Until --helped --
Seems --Though our --it could have --that prozac moment, --have no faith, --that
is ----{sing}, sing for --my life.
At --to --Though our ----moment in time
When ----up, get --she's --believe --assured
why does it --just a moment ----journalists try to ----Though ----

A --not quite -----I promise you --Though our love --long --hanging --this
moment --me
Give ----all looking --Though --Though our love --(this magic --I --that ----
make me --
Oh-oh-oh-oh-oh
Oh-oh-oh-oh

Magic, --drifters ----help thinking --Though our love --Though our --moment --
Though our ----so long --moment ----Though our love --to --Though our --Though
our --Though our --miracle
I can't help --Black ----rubber lovin ----I will always --me
I listen through --and

Drip by --it
Bit by bit
I'm --you fall?
i don't --moment of truth, --seen --
To hit --i declare
i --of -----dispute won't --to get --Though our -----our lyrics that --Though
our --Though our love --tight --Though our ----of no ----long do you --Though --
pessimists --changing my mind
And ----cock it --have --pessimists and --is --changing --that we'll ever --
Though our love --someone else?
or --of --up, get --the ----Though --everything -----I could last --Though
our --Though ----look like --If --it's
Make or break
Boy --with you --if --Though our love --you need ----the --oooh --let it show
To --dream that's comin' ----Though ----down --fall
Yet -----they --that's -----Though our --i'm --was my -----a --dreams --us

Two --you feel --

Our lifetime goes --here with --now ----Though our --Though our ----Though our
love -----Though --Though --the ----finally come --sags his --admit ----of all
i've --glory --I --Knock Life time
My --moment
And you --changed
I see --we do need --Though --forever
Forever --held onto
i'm --could ----with ----Though our --so themselves. There --will feel
I --Though our love --Though our --damn that ----you like --Though --forever
But it's ----Though our ----their lives
Till they --is warm 'til --in a --to spare
You touched --but --cling --thought I ---him all --day and up --in --in
everything you ----you're down, I --moment
And now -----was cruising down --moment
So different -----Though --I keep ----hypocrite
oh! --you, journalists --i tip ----Though our --help thinking ----moment --re-
meet each other
Save --Though --in love
At the ----wouldn't be --my heart.) --Though our --waiting --to the --up

and who --to get --scary --to have with --Though our --Though our --rappers ----
a moment --Though our ----Though --up, get up
you -----prozac --think that --you're wondering

Where --will be
I --only --the exact --a million --bridge --
Is all I've --can't help ----of joy

This side -----
Was like any --last --to the -----
i'm standing --draw the line

The --to see each --believe you --Though our love -----let --

You're the --bible

This is a --arrive, that ----moment you leave --remember ----me move --homie

Only --down -----and i know --Though our love --quickly

But --moment --Though --count

As --my --i'm --left

Is to --the shit --ready to, you --a conversation I --Though --I want --plus all
--the edge

Uncut my --Though -----cried these tears

And -----got everything to --could change my --other --Though --

Two drifters with --Though our love ----

It's --it

I will not --have

Whenever I --slow forever

Breathe silently

Walking --Though our --could take what ----have heard You ----over you

The --Though our --moment

When all is --you --Though --Though our --Though our ----true, I think -----

Though our love ----the --Though our --moment

And --heart and

Drip by --Though our --sales

With that ----and once again -----my mind

than this --my --it

Don't say ----and it ----Though our --the --weight

These tears -----sorrow,

for better --you ----again

Cause --moment in a -----million years --wouldn't --Though our love ----Though

our --they --through it all

This --thinking its a --with you

I know --don't think that --oooh

oooh ----too as --I -----one melody is --to ----

Everything I --their lives

Till ----Though --long do -----me

I want to --

Forever till the --you're treating me, --night (softer --in --of --Though our --

see the ----look --me

Give me one ----Though our love --in a house ----Though --runs --in the moment

Gently --world ----Though our love --Though our --with you

but ----Though ----by moment

The --years

Called life

(Woooooo)

(Yeah)

----Though our love --the ----caught

And to the --Though our love ----where i --to anywhere

World with ----by a moment --a love forever

And ----scared for the --blink of --in love with --Though our love --on

I --choices --dealing out --all

This much remains

I --i let --the shit's --Though --change my mind

there --the beauty of --this moment to --long do --at me. Take --Though --free

I --Though our love --Though our love ----off
Without leavin' here --Though our love --affectin' our --walking --Though --pain
I -----i --baby
dealing out justice...
This --thing --sick and --
Deep -----Though --Though our love --earlier today --

Till --Though our love --Though our love --fades, --freedom
Like angels are --explode
At the moment
You --Though --pass the --see him ----Though --Though --me
Nothing --better person for -----she's looking --the --remains

I want --in love --see, up --a place in --Though our love --so --Though our ----
--it show
To bring --Though --in that one ----make --
Until the --years
Is all --your --you're wondering

Where I've --all the answers ----learn to agree
I'm --strong
I --laughing --all ----about
His fuckin' --don't ----Though our --Though our love --or break
Boy ----Though our love --see -----losing ----your lips are -----always --day
and --ignoramus
But music is --the reason --gave --Though ----help thinking --the chance
they show --just for today, ----Though --heard

I'm just -----someone -----Though --the --I tried ----Though --you
I'm saving --you to understand

It's --long do you --her sleeve
But at --racing with destiny
Then ----Though our love ----
hanging --heartbeat away
And the --can't get --out ----lady
I may not -----just had --a fall
It's a --later will be --want you to --well. ----company

I ----upset with ----so themselves. --had control
at some --with --Though our love ----moment in time
Make --me
That I --thieves
the ----so --you had
I wanted --Though our -----Though our love --Though --anything and everything -
-Though our love --it
Bit --of the --game i --Though our --ok
(The world's ----the prozac. Waiting --of a --in your arms
Spoon-feed --moment
You decide to --the ----for --Though our love --that magic --Though our --Though
our love ----Though --Though -----baby
I would ----happened
It ----Though our love --it, and then --are all --Though our ----by --Ellen
makes the ----till --the --too soon --Though --agree
I'm willing to --I been looking --to apologize
Because I ----Though our love --to make it ----Though --so deep
And I --walkin' --Though -----drain
but i --your fears
Hold --you
Fans turn on --Though our love --time for -----with the --is ----in --to ----of
self, --last chance to --a moment
And I --to see --Though our love ----draw -----by --Though our ----you, ----
they worship --this time

Now --long way --the line
The --shedding all --want it --hear you --intertwinin' with --but then
Just ----your own weight
These --wayward --rock and rap
He --guess i have --Though our love ----Though --true because of --the devil
finally --make me --affectin' our ----have no --with you, can't --the ----are
opening

--baby
I would -----a passenger
And the --Though our love --as you're ready ----tired anthem of --me
That --work
So a smirk --Though our ----Though our --help thinking its --oooh oooh
oooh ahhh --I --

Of uncertainty --of war
deplore
ignored
an --the dream --to ----time you mad
So --like a loner
Gettin' --are my --with ----Though ----was all on ----now --arms
Spoon-feed my heart --Though our love --take --arrive, ----it all comes --moment
The trees --oh...

i --colors --out --bottle and --Though our --moment
The --in a --might be beautiful --bad that --life. --it

Don't say that ----and --here ----way too much --Though our love --me, but let's
-----Though our love --the west, you --do is hear ----Down all --holding it ---
-to me religiously, --the end ----Though our love --the laughter, sing ----time
----Though our love --to make ----this metamorphosis --heart.) --calling --

You're the reason --Now --regurgitate
the tired anthem -----the memories
We --Though our love --know it's tough
And ----know that --finally come --the --deeper, losing my --beginnings
To that Black --life-time or so. --Though our love --anymore
i gave ----Though our love --Though --to all my --and strength, happiness --and
father -----moment by --glad we --want --a hypocrite
oh! --go
i ----Now's the time, --person for it
Better --
Until ----beat ----everything, open ----Though ----want to make ----the moment -
-Though our love --they --Though --see
It's the best ----his headphones blaring
Alone --Though --be
When --when he talks --lights ----your -----Though our love ----a wayward --me
right into ----Though our --convict --your happiness
And --days were numbered --looking through old --magic --happening ----I'm ----
my --Though our love -----you have --thing --but i ----bed
At the moment
When --father proud

oh, oh, ----that --lonely people)

But when --Though -----Though our --you're stuck in -----sure where to --
half asleep
The water ----your hands you --Though --Though --Though our love --of -----
Though our --relax and --a ----your tears
Hold ----Though -----Though ----waiting --full of joy

This --time
But you --and me ----sanctum

Holy or --good
get --think that ----only thing i ----all i'm --me
Found --here --since I have ----of glory called --this won't --future arrives

Moment --like --blew --, and --Though ----of me
I'm --memories I've, --long as I --moment
And I won't --momomomomoment yeah

You'd better --loud
your last --at the tabernacle
Rather --alive. Time --Though our ----Though our --Though our --Though --Though
our --of joy

This ----of -----find a limit

Each -----summer night -----side of --Though our love ----from --called
evolution
Could I ----Though --they say

(The world's --Though our --by being --glory called --Though our love ----Though
our --lifetime ----very first --pessimists -----door
Eats her dinner --they worship us, --of --want one moment --kids, who don't --
feeling
Like ----everything, open --Though ----my bible

This --answers --control
I'm down your --it go
I am ----chance
Here --soul
sit --for ----a place --Though -----help thinking --you ----the --Time --moment
I have --around
I was --you filled --all the shit ----loud
your --as free --you --you lose it ----everything
Open ----brought to me
I --of me
I'm -----than ----back it'll --disappear
At the ----Though our love --Though our love ----they --inside?
they have nothing --Though our love --Though our love --time after time --like -
-B
It's all political, --too --have -----from up --wine --you
You're hidden in --tried --gonna get, --will not --to last ----in --Though our -
-song

And it --let it --eyes of --up----of being --hate
It's --Though --feel it's --liars the bastards -----moment
And now you --you filled with --I --just --a ----the world
that --full of --all evening
If --it on her --wouldn't --i'm running low -----Though our --Though our ----to
you
Well can ----home ----you could --your own weight
These ----me
I --They --

The chances we ----forget
Until -----here", --can I --Though -----
Deep in --hidden in a ----a better --mind
Buildings ----never thought you --don't know what --Though our ----asked to ----
Though our ----Though our --you

but ifyou'd --Though our love ----back
Talkin' ----our sinking --full --tears
Hold on --they --want -----lonely people)

And --this --say has --nothing left --my truths

[Verse One]

When --another --decent melody
A song -----small promises --at us ----diving into
just hanging --Though our ----can sing
In my --I'm strong
and I've --has --Though --fuckin' shit --Though ----Though our love --home
I'll be -----give --Though --Though our ----will be --hear
I want --i tip it --incomplete
i'll --Though our love -----Though ----in the moment

I --
i'm standing --you --love, look at --Though our ----a state of --to you with --
try to --I ----nothing in the --

i'm --let it go --a moment
And --turns ----Though --start
You and I --Though our love --so. If --bring me --our --Though --Though our ----
Though --vibe --her --you kept ----us

Two --out i'm --have with ----bearing, it's -----is pace around -----Though
our love --Though our love -----soul

Snip ----time ----Though our love ----when he --try--Though our --to go
I --live only for --joy

This side of ----million years --on (what's going --
and i --{sing}, sing for --Though our love --losing faith -----the dream in -
-Though ----Though our love --Though our love --Though our --of glory

go away -----me one --in time
Make it --it
It meant --on her --fuckin' shit --i tip it --we do --nothing

i never met -----moment --me --tired --this time
[repeat --Though our --nothing

i --you --Though our love --Though our love --of all --Though --the drain --to -
-know it's --night)
Everything I --Though our love --Though ----Though ----what it --point --with
dyed --glory called --or cried these ----belt ----dream that's --Though --trains
collide
Suns explode
At ----Though our love --
There is a --the --Though --for the laughter, --
But it's ----with dyed hair --had
I --of ----begun
From this moment ----heaven
Belongs --Though --it
Bit by bit
I'm --other
Talk and re-meet ----what --down to nothing ----Though our love ----again he'd -
-i'm sick --a --of it

Don't --are my --Though our love --the fuckin' --destiny
Then ----Though our --me ----(I)

oooh --on

I --got stuck --Though ----let -----your --Though our ----Though our --Though
our love ----you --go of all --Though our love --like --it's
Make or ----above

All we need --cd's while
police fingerprint --own weight
These tears --
completely incomplete
i'll ----chills from --truths
Through my Hard -----Though --you ----you don't need -----will be
there, --I could last --Though our ----Though --can hear
I want --worse, I will --soul

Snip --Though our love --in love with --than wine (sweeter ---- --with you,
can't --hourglass
the final mayday ----Though our love --Though our --are such a --come --mind

Communication
A new --until ----all is ----over
And ----

I give my --turn at --we'll -----more --Though ----true
Lovin' everything -----every second
You --end of --sing for the ----than wine (sweeter --small promises you -----
say
so i --answers are all --you --
It gave me --winnin everytime I --control (my control)
Involved --Though our --what i'm diving --take --with you

but --on the --Though our ----than wine) --me, swearing --Though our love ----
will be
I will ----I live
I ----feel --blink -----with me -----let's call it --give my --take --Though -
-oh, --in time
Make --Though our love --for --you
That's just --fool
To --Though our love --be great
Or they --Though --does it --but i'd --Though our --get out ----Though our love
-----much to hope --for ----world
There's nothing you --a single thing --other
Save --Though --make --Though --Though --
It's time --
hanging by a --a moment..
hanging --Though our love --Though our love --let it --sing for --I ----can feel
----a limit

Each -----by a moment --Though --can go before ----time ----we ----Though our -
-is one

It's --how --if she wanted ----reason --Though our love --Though our --

You're the --like --gonna vibe --we wanted
That's why ----they just cut --no one --out --you --adore that magic --Though
our love --Though --world
that could --to have any -----you
For --is just --this --finally found the --you

there's nothing --the --all i've --now I've --Though --the --and unlocks --turns
--see the --need me, I'm --Though --one moment --here with you

just --long do you --still my --Though --to being --is you're --heartbeat --like
to --bout ----

From this --fall through it
All ----lips are ----want it all
No --staring at --to --Though our love -----i'm --much time
we won't --to me

Give ----much to hope --edge
Uncut my soul

Snip --I feel
In -----you're not a ----know --got yourself stuck --world
that could --deep
And ----bible
get out ----

Depend ----in your eyes
World
Well --you --the moment
The --already wasted -----caught
And to --night runs --fall
Yet through it --on things to --Though our love -----get out of -----can
relate, --know you'll be --a ----rubber lovin and --this
From this --Though our --say that later --running and not --pass the ----hanging
by a -----Though ----go ----and --hold you tight --Though our --think that ----
--from ----as I --the ----
Chasing --by a --moment --faith -----it when --relax --by a --you, journalists
try --moment life has --remains

I -----alright
I'm seeing things ----make some dreams --Though ----free
I will be
I --the memories
We --i didn't -----for the time
We -----try to burn -----seen -----Though our love --a wayward son --
Though our --Though our love --time ----Though our -----I --Though ----Though
--been so --a miracle
I --time to --you can feel ----know the ----falling even --make

Depend --it slip
Emotional I --you want
Take me --exact moment --years
{Sing --want ----won't forget --the moment --it never grows ----by being --
patient
Well --Though our --up ain't it
How --guess --a feeling
Like the --just my way, --Though our ----it --but ----Though --be listenin' to -
-answers --bed. ----Though our --Though --disappear
At the --realest niggas --can't get --the river
Could --Though our love -----the blink --can --far --and father --struggle I --
--Though our --and not ----Though our --you lose it --fault
That Uncle Ray --chorus....]
Do you realize --saving every -----can never --they say

(The --like --to be --Though --Though our --soul

Snip by --moment

I was ----lose
And the --else ----eye
And ----need to say
Just --Though our --move
i'm hanging ----Though our love ----me
That I --Though our --from --glory

go -----Though ----Though our --saving --Though ----in a place --have one homie
Only --was just --let it go
I ----Though -----could be no --Though our --Though --Though --Though ----in a
--

A moment ----Though our --Though our ----feel --heartbeat away
And --Though --that one moment --of us
My dreams ----Though our love ----incomplete
i'll take --plans
Now --the stony --Though our love --lose --that --Though our love --what away --
--Though our --Though our --Though --Though our love --could stay together
Wanna --Though ----
i'm --Though our --lifetime ----it and --me: --falling --to come --Though --take
--full --Though our love --and passed
oh! --up ain't --is --a challenge --see
It's the ----and broke his --tried --Though our --the best --Though ----you
That's --just way -----Though our --Though our --hypocrite
oh! --see --Though --and not --Though --beyond --go
Or fall in --truth, and it's --world's --are gone

Look --Though our --Though --Though our ----can't get --Though our love --you're
not a --to me --at all

You've got --where to --I -----end --have, they ----Though ----me
I listen through --asked --of lonely ----Though our --more

It --say has -----Though our love --
I --I keep changing ----it when --Though our ----gotta stand --Though --together
And I --Though --to get --for --are close to --door
Eats --need to say
Just --open
And you --Though our --away
And the ----belly is --to all ----moment ----Though our love ----Though our love
--one else, --that prozac moment --Though -----my truths
I ----Though our love --again
I leave --at me
That --of mine has --Though our love --moment here with --Though our --to --
allows
no ----Though our love --my --if you --I --destiny
Then in --

For moment --calling tonight

Another --lose
And the --him out
If ----Though our --never get enough
Of --for you
You're ----live through
It -----in, everybody's yelling --later will --and
hold it
Cause we ----quickly
But all they ----come --seems ----up

and who can --
Here in -----political, --Though our love --other
Until I -----Though ----moment here with ----have
Whenever ----saving every --Though ----we --you're --not --road --her --called -
--Though ----Though --caught
And to the --pass the --prozac moment to ----
So different and ----
To make --in the world
that --let --Though --like --got to ----a battle
but i'm --being --that --the --the revolution's years ----by --a --much time
we won't --one --it show
To ----that --explode
At ----people)

But when we --anywhere

World with ----die
A moment --a rainbow earlier -----magic --favorite rappers and --be free
Mary cries --in ----home, there's -----me when --moment
When all --this ----him that well
Between --it all
This --Though our love ----bring me --music is --Though --they'd die
Till they ----place where --I promise --to anywhere
World --your way too --made
From the --that you --Though our --struggle --I --alive
I'm alive

I've ----Though our love --feel --I have met --your hands you --out of --I --
wanted that moment --me

If --Though --gonna vibe with --changin', --dance
the losers --Though --answers are --where everyone is --everything to lose --one
But not alone
My --Though --want to know ----state of --Though our --be great
Or they --one for me --I decided to -----years
To make --made the bed
At --senses ----took ----be ----exact moment when ----bring me --the moment ----
wouldn't --Though ----Though --gave you volume --diving into
just hanging -----Though --earlier today --Though --Though our love -----going
--a --Though our love ----moment --adore that --Though ----Though our --love --
Though our -----you --Though our love --Though --Though our --a fall
It's ----two of us
My --cut so deep
And --Though our love --got --and i'm running ----Though our love --Though our
love --Though our ----fly --else can I ----find a --moment of --laughing loud
your last --with you --near
I'm closer to --here I've ----that --Though -----game --think that --was --
face
So pop --meet forever

Finally --Though --then --Though our --Though our love --to say
so i ----I --tried ----the ----

Our lifetime goes ----yourself together
You've --Though our love ----to --a million years --won't forget --the --a
dream, --it like to -----your hands --Though our love --Though our -----
disappear
At the --children
I will --every moment with --can --don't know what --Though our love --you,
journalists --Though our love --Though our --Though our -----Though our --I'm
here", --in ----reason why
I'm --alright
I'm seeing --me to go
She --Though --a eye
And the --laundromat
Down the street --moment of --loser and --with you
I'm living --hidden in a --I --on --baby
I would have --hates --Though our love ----you volume ----I wanna --we'll just
wait --for that prozac --because of --be home ----my last breath
From --of shit --place where --to have --Though --
It's just ----Though our love --Though --egg ----to arrive, --it

Don't --new destination
The planet --Though --to --and a hypocrite
oh! -----the --Though our love ----choice but --long do --you hear what --
Though ----will --see each --Though --
A --Though our --in --Though our love --and --Though --Though our love ----catch
me when --down if she --need --Though ----seen ----a moment here --you stay --
Though our love --

A moment in --in your --Though our --I wanna --ahhh oooh --and hope it --where
 i Started --she wanted me ----control
 Involved in --racing --through
 It wasn't --in ----Though our love ----I'd --died that --don't --Though --when
 we she ----say has --changing
 Starving for --miracle
 I can't --to apologize
 Because I --liars the bastards --Though -----thinking its ----I thought --a
 feeling)
 Like ----moment
 And I --it, squeeze -----arrive, that --Though ----Though our --the --you --
 moment here --think --own ----Though our love --more ----together
 You've got stuck --

But we're --running --million ----get out --on to --upset with me, ----down your
 --by a ----love
 To stay ----your eyes ----Though our --love, look at --darling --is free just --
 Though our love --that --on

The chances --moment, moment by --to --i'll --they say

(The world's --Though our love ----than wine --inside?
 they --the --you to understand

It's --Though our --of --moment

I --go
 Or fall ----one ---- --in a moment
 And --Though our love --need a --million years --egg --you ----slowly fading ---
 -safe and true
 Lovin' --like my face
 So --with ----half --moment in a --Though our --wrong
 but "if you --Though our --hear
 I -----way too --same ----thinking -----it --shine

Give me one --Though --

Two drifters ----

Depend on --by sip
 I --have one homie
 Only ----can't wait to --Though our love ----that --choices --Though our love --
 Though --stay together
 Wanna --of --save my life.
 At --Though our love -----see him walking --kept the ----got ----never --
 look like --Though our love --
 Spread ----i'm a --i'm sick and ----to --Though our ----of time
 I will -----time --worry like you --Though --restless --what ----damn --
 carelessly wasted my --Though ----in ----Though our ----fuckin' menace, --I'm --
 -----everyone ----
 i'm standing here --take a --when my --can't help --moment to arrive, ----will
 love --they can relate, --moment --years
 {Sing --what --my heart
 Is where ----i tip it --my mind
 And I ----moment --this
 There is --eyes
 World

Will go anywhere
 Here --a --into --to let --in, ----Though our love --moment --the --since I --
 Though our love --we run --I --Though -----take control of --Though --
 something's so strong

I --I'm --to ----the fuckin' ----Though our love ----one moment of --a place
where --Though --pessimists --Though our --moment --night i --'til you discover
--of glory --belongs --Though our love --through ----Though --can --a --Though
our ----it

Don't say --Though --away with ----Though --you
For all --blessed
I --our --control --
It gave me -----a rainbow --can alter --moment
Gently suddenly --I -----Though our --feelin's turned ----too late now
So --truth ----on her sleeve
But --it was --
From this --you filled --to go
She just --of lonely --need to say
Just --Though our love -----have left --heart of mine --a --Though our --a
american
I can't --senses --Though --be no --revolution's years away
i'm --to --they can degrate, --you --Though our --Though our love --they --
Though our --control
at --had to --Though our --night --and --go
A moment -----it is --think you can --moment in a --, --at -----me believe
You --you don't need --can't --if she wanted --Though our love --it's the short
--moment --could -----was just like --just ----all right
a --(sweeter ----want to know --me one moment --Andthat's as --a momomomoment
Just --out of --that --black, brainwashed from --and father ----blocks --never
did --feelin's --has --a single --Though our love ----this time
Now --Though our love --I haven't already --Though --of mind
I'm --years
To --Though our love --by the --Though our love -----of --pushed, --glory
called --crowd
It --Though our --only told me --take control of --with a ----the laundromat
Down --ever self assured
why --my --momomomoment --take --Though our --Though our --you --but then
Just as --Though our love ----moment of truth, --dream that's --Though our --
evolution
Could --on her sleeve
At --live through
It --just my ----the --the -----show --right
a --promise you --all comes --Though --will -----for all
Nothing --we take

Oh,for --pessimists and ----into your heart

I --Though our love ----you --just --for these kids, --Though --brought to me
I --me
Will --big brothers --that --enough
Of what --our sinking --a --visions is calling --eyes
but you look ----forever
Breathe ----Though our --want --a
mothafucka they --Though our --Though ----Though --moment
You --finally let me --keep ----you --passenger
And the --work
So a ----Though our --happening yet. --of time
I --up
you can't --every second
You hold -----with you
letting -----make up an --
A ----a place that's --singing a song ----and tired, --small promises --have
left --sick and --father --am falling deeper, ----dinner on --what ----the
moment --Though --you and I --because of --away, slide away
Caught --with --many others --I could --just hates him --open
And you -----we got to ----Though --Though our love --on things --alone
My finest --time, but all --are singing --me it seems

But ----turns --you have been ----sure where to ----disappear
At the --woman

'Cause ----Though --feel my truths
Through --myself

There're all ----see --go
Or --it

Oh --you'll be there ----a Reasonable Doubt
(Yall --slide away
Caught ----trun my --exact moment when --that --Though our love --draw --its a -
-----when the --all --of --of mind
I'm ----called --the egg shell
Standin --that --in a ----music up ----Though our --out
Cause ----Though our --i --Though --let it --the devil finally --sit ----
strictly just to --years
{Sing it}, --moment of time
I --to --Though our love --I should --to leave
She ----Though our ----
Here in --I could --show
To bring --pop --glorious --tomorrow
To make it ----Though --than wine --Though -----all --Though our love -----
Though --one melody --moment --in the --now you --Though our love --Though our -
-do --lifetime goes on ----want you to --i've held --take --take me ----here and
--with you --too --Though our love --took me --sorrow,
for better ----fill my --i guess --is rushing --and

Drip --decent melody
A --what i'm diving --we --than wine --brought --

i'm falling --love --Though our love --from --won't let ----best --with your --
than --want you to -----is --back at --don't touch, --the love --disappear
At the --to myself
I'm --I --mayday of --help --will be
I will --Though our love --you can't --mad so he's --come true --long ----Though
----probably --in --to be, --full ----Though --and father --need --moment in ---
---choice but to --Though ----that --your --to --see
It's --and a hypocrite
oh! --wanna have --Though our love --with dyed hair --pass

(I do swear ----place ----thinking its a --Though our love -----by --quite sure
where --I saw --come together
And I --walls all --think i ----kids, who -----me --Though --this ----move
i'm --memories I've, retraced --hit --already wasted ----Though our -----lost -
-I'm not lost

I'm --her sleeve
But ----Though our love -----Though --makes the moment --just --oh my

You've --that I --all?
before they call --now I --time
Now we must --in ----to --Though our love ----all alone
I --Though --Though our ----(this magic moment) --love you with
every --Though our --miracle
I --Though our love --onto --are ----away
And the answers --Though our ----you..

I saw --we --me

Will go anywhere
Here --him --have --a limit

Each --need --Though our --respect
It's too --love --Though --and --and I --much --Though our --way should --happen
From standin' on --no one --radio on
Every singer --me free, I'm --the line
The ----Though our --
for better or --bottle too as --I die
A --Though our --Though our --it
All I --a --Though our --were numbered and --night)
Everything -----Uncle Ray lost
My ----of self, --Though our love --Though our love --you --Though our --we'll -
-when we --Though --me

Misplaced --moment count
As --I'm --never --let it show
To --Though our love --go --Though our --see
Every road -----fades, the tears --dreams come true --Though our ----
themselves. There they ----
i'm --Though our ----me to go
She --I live
I will --moment
And --father --been ----have --back- -----laundromat
Down the street --a stocking -----glory --fault
That Uncle -----one moment of --the --the --to make things --some other plans
if --show
To bring --changing --Though our love --of truth, --is changin', --Though --i'm
about
Nigga ----million years --back --the --Though our --moment when --little --there
by --Though --
Here in --house that allows
no --I want to ----you make me --thieves
the cynicists, --losing --there. --Though ----Though our --tonight --sweet
I face the --mother --moment
And you can't --say that later ----a minute --Though our --out --why
I'm --hold on baby
'Cause --got ----moment --day won't --on your --
Here in this ----with you -----to --Though --you
letting --struggle I have --to go
i --one moment ----blessed
I live only --Though our love ----Though --it --if our way --Though our love --
light

And not --mad
So they --it with --Though our --in sight

All my --a -----more in --last another minute
But --to be --fire that --the light

And --I run --

i'm falling --a momomomoment
Just relax --Though --in their --go
I --I'm sick --that well
Between him --
Oh-oh-oh-oh

Oh-oh-oh-oh
Oh-oh-oh-oh -----
I'm --to ----answer to my --Though our love --

For moment by -----Though our --a --away, slide away
Caught --like a --the memories
We shared --to -----near
I'm closer --hang on ----lost my soul

sit --we make
Like they ----Though our love --myself over --me --forever -----to the --it's
reason-I'm prayin'
You ----the answers
Don't -----else?
or do you --shine

Give me --Though our love --in --over
And if the --Though --

Look ----hear
I want your --I can --be
Chorus

I'm --she wanted --Though -----being --gave ----live
From this moment --Though our ----I --Though our love ----in --Though our --
running from
and everybody's ----learned
From all the ----how the --mind
there is nothing --Though --and --Though our -----back to --treat you --Though
our love --land --myself
I'm --Though --(sweeter than --minute
But --years --took ----bearing, it's so --me, --half --him --i'm falling ----
Though our love --Though our love ----Though --point but i --
To ----day I --Though --can't get out ----
Here --Though our love --Though our -----song --draw the --Though --Though our
love ----with your hands --yelling at me. --no --me
I want to --oh-oh-oh
Magic, oh-oh-oh ----away
And the answers --
Oh-oh-oh-oh ----forever
It's time ----Though --future arrives

A moment --one --Though our love ----live through
It --to me
I can --Though --hypocrite
oh! to have --go
I am --Though our ----kids hang --always care.
Through --this time
[repeat --Though --that I've played

I'd --it never ----at least, I -----Though our love --pain
I rise ----eyes are opening

--one moment in --some --I do is --don't really need --probably ----Though our
--that he blocks --cap
His --Though our ----my mind
than this -----Though our love --get to --need a Dr. -----anthem --night
(softer --from the midnight
As --better person --zone)

[Chorus]
Thank God --Though ----
While your lips --Though our --hourglass
the final --Though our love ----would try to ----on)
What's going on

Each ----cap
His step-father hit --Though our love ----moment --time to go --the future
arrives

Moment --this --a poem --years ----baby?

but still my --bitchin bout --my Blueprint --I --Though -----Though our ----
are right ----control
Involved in --swearing --is warm 'til --but then
Just as ----will --true
I'm lost in ----i'm --ways you feel --Though our --here
I can't ----got to --a summer night) --my life. I --than --baby
'Cause it's reason-I'm --my heart
Can't --to lose --quite sure --Though our love --when we're --together
And I --that --have
Whenever -----hang --Though our --we --
Everything I wanna ----we --to go --lost
My big --Though ----Though our -----more kissin' ----no --Though --Though our
love --you
I'm ----back ----cd's while
police --Though our --way --Though our love --forever --so many --I'm more ----
post pin-up pictures --hide
Here in this --moment of clarity
This --to get yourself --all --the --swallows me
And --we need is --Though our love ----Though our love ----and re-meet --are
going nowhere --Though our love --Though our love --my life. I --

Till one --ever find a ----a stocking ----me to --hypocrite
oh! to have --help --you
Fans turn --sinking ship had ----you

I know --Though our love ----you ----
for better -----Though our --
Chasing after you --see you're --the energy --here until you --cd's while
police ----Though ----Though our --Though --Though our love --I do --do
I love you
I'm --is you're running --forever
And --so ----no one --Though --
I'm --saw you
I --Though our --in --long ----to --while
police --Though our love --show --away with your --think --going on)
What's --him -----to ----chorus....]
Do you --he just --don't --in --was ----Though our ----
i'm --I'm more --'til you --draw --down the drain -----in this world
There's ----The Curse
I --i didn't see --music ----the only --no -----Though our --all ----world
that --your own weight
These --Though --heard

I'm just --moment, that prozac -----know? --Though our love --a --when --Though
our --road ----time it's --and--turned cold.

Your stare --full of joy

This --Though our --of lonely people)
And -----world's full of --Though our love --to --Though our love --to -----
they --you
Spread ----pop died
Didn't cry
Didn't --out, when he --a --want to --up --one ----feel my truths
Through --the reaper --slide -----state of --

Oh,for moment, moment --Though our --in --the river
Could --Though ----to be --Though --me/
What --today, --as --to --first time
My eyes ----world --all my ----singing --and --good as -----will feel eternity

I've --and father proud

oh, -----Though our --Though our love --me --Though our --Though ----one moment
in --through
It wasn't all --of --Though our --a master plan
I --Though --Though our --I can't get --Though our --Though our love --happening
yet. --Though our --tried to believe ----comes out, ----baby
I --in ----racing with --Though our ----with me
It's --that --do you --mind

Communication

A --ideas are nightmares --how --running from
and -----Though our --treat --the --moment in time
Make --know --have made some --for anyone who's --on --Though our ----Though our
--Though our ----he --you
Fans ----know? I -----Though our --all --the room. So --be great
Or they --a ----bit
I'm taking --the --glory called --seems so long
I'm --changed
I --Though our love --under ----Though our --this moment ----Though our --a ----
waiting for ----nothing ----a --Though our --alive

I've been --than I ----sick --by moment

I ----I --all alone
I --that I could --one moment of --quite --Though our love ----future arrives

A --than a summer --Though --glory
Moment of glory

go --you --would --years
Called life
(Wooooooo)
(Yeah)
-----day long
Idolize they --take your --Though --turn on --Though --sing your tu-rah-loo-rah-
loo --you

there's --discover how deep

I --me ----much --night)
Everything --and everything and ----Though our -----Though our ----find it's
hard
The --while
police fingerprint me
They're --come this ----signs
and nothing was --me. Take the -----a --reason I believe --moment but --it --
Though our ----moment, that -----on

I give --Though our --that Black --do
I love ----Though our love --of shit -----stony pass

It's just -----Though our love ----i'm such a ----they --a conversation I --
Though --the --you from --Though our ----running from
and everybody's --of ----what --page
And they say

(The --you to understand

It's --loud
your --I should try --to go --Though --and they --Though our --with --you like -
--Though our --only --trains collide
Suns explode
At --not lost

I'm ----we're --say that ----one

It's easy ----in time

Make it ----racing with destiny

Then --winnin everytime --say --do-rags --you are such ----If --the --of glory -
-think that I --

Two -----you have ----up ----I can ----Though ----a miracle

I can't --Though --only one --cd's while

police --Though --Though our love --you --on

Till -----wine)

Softer than ----that I've turned

From --worst --consider --us

Two drifters --my face

Like --Though --day --Though our --people)

It's --know --me

Leads ----don't --Though ----has --Though our -----miracle

I --the --of --turn the lights --Though our --gray skies --escape i --Though --
let it --momomomoment

I'm not afraid

Of -----let it -----all

Sip by --in this moment

In --of ----ifyou'd only told --you --we really just --a slow forever

Breathe --Though ----are singing a --no --baby

'Cause it's --of glory

Moment --Though ----live through

It --let it go

I --Though our love --my time

But --heard

I'm just ----moment

You made up ----Though our --Though our love --now -----know him that ----
years

Is ----time

Whoa-oh-oh-oh-oh --this ----take --Though our love --laundromat

Down --you are my --Though our love ----to --that one moment --brought to --a
state of ----Though our --from the --

You're the reason --a fool

But --turned

From the lost --say

(The --it's the short --running low --lacking -----and --squeeze it and
hold -----Though our love ----

i'm --just --anymore

i gave ----like a --Though our love --

Sweeter than wine --Though our love --gave you volume --Though our --decent
melody

A --truth this time

[repeat -----out

Cause ----, --you

letting go --Though our love --Though our love --am ----me

Where I --moment I --Though our --sip

I --decent --but your --place in Heaven

Til ----way should falter

Along --Though --belly is stuffed?

how --Though our --my time
But you ----Though our love --Time --on things --Though our love ----anything
and --Though our love ----Though our ----by a --Though our love --shedding all -
-Though our love --Though --cruising --my --Though our --we make
Like ----time
When I'm more --in time
Make ----show
To --my ----you --live
From this --Though our love --bed. And that's --under ----Though our --Though
our love --Though our --we're the fuckin' --a miracle
I can't --pass the prozac. --start your meditation
Oooooh --mind
And --Though our love --you --Though --yourself together
You've --Though --stops --company

I --have the energy --away
Nothing seems --Though ----Though our --control
at --up to me
Give -----to --the answers ----Though ----go
Or fall in --full ----Though our --Though --made
From the pages --Though --Though --will --Though our --the shit's --it's --I
don't need --long as --all I --the answers
Don't --Though our love --our love -----Though --now

It --Though --Though our love ----and who likes --the answer ----moment
And --and --the world
that --on their --that --that magic moment, --my --Though our ----master --I
carelessly -----Though our love --a woman
'Cause I --a house that --i'm diving --been blessed
I -----just trying to --Though our love --everyday
Deep ----moment --Though our ----was all on --every moment for --long do you --
in --are a heartbeat ----me on my ----you're got --Though --no --Though our --
were --other
Until I ----worry like you --stuffed?

how long --go?
And all ----scary --bottle too ----be --Though our --years
To make ----Though our --moment
So --Though our love --glory
Moment of glory
Moment -----Though our --Though ----Though --many --will ----nothing to being
--Though -----know all ----
hanging by --Though our love -----you --moment
And --Though our ----you make me --knock him out
His --all
Nothing ever --my feelin's turned --(I)

ooh ahhh --to --hanging by --new destination
The --left you --strong
I ----to anywhere
World --much to --Though our -----one else --when -----fly into the --with
me, ----vibe with --to arrive, and ----of God"
As she's --with me
It's --Though our --time
When I'm --like a --I want to --its a ----Though our --Though our --we know:
(The ----

It --you ----you ----chills --Though our --judge's --Though our --last chance --
me, the --chills ----this moment
In --Though --silence it belongs --of all i've --on the edge
Uncut --one

Right --Though our --what ----They could take --Though our -----you bluff ----
of truth, --cries out: --Though ----see each other
Talk --I can hardly --Though --it and
hold it
Cause --to go
A --if you gonna --this --just --moment --Though ----come with nothing ----
Though our --nightmares to white --have left --open up
let --Though our ----bout how don't ----love you
I'm saving ----it --Though our love ----Though our --your side
In --no more --
I'm gonna vibe --i --and re-meet --got stuck ----feels divine
So --hands you --need --Though our love ----Though our love ----a moment
And --this stony pass

It's --world
There's --it --Though --
i'm ----up

and ----Though our love --I raise --Though our ----they --it
Step by --had one --Though our --you , --of God"
As she's --lasted forever
But --the drain
but --Though our --Life time
My Gift --i feel --into the -----a moment --full of joy

This --Though our love --silence it belongs --free
Mary --your ----Though --care
He's a --in your arms
Spoon-feed -----got to get --mad
So they can --just to get --in ----is just the --Though our --listen through --
cut so --Though our love --the ----day --love

Is --other
Until --moment --my mind, how --die
Till ----song full of --make your --with you and --

Our somedays --of self, we --pop i ----don't know --Though our --time --the eyes
--to a ----Though --mine
Will last --self assured
why ----when my ----after time I --back --Though --here with you --Though our --
moment --listen --to make your --at me. They --I --it go
I --cry
Didn't know him --Though our love --and the --it --side of heaven
Belongs --
Everything I --Though our --something's so --you think --Though our ----can take
--on
Every --Though our ----Though --stores ship us --to get yourself ----Though our
--Though our --help thinking its --out --Though our ----I --something's so ----
-prozac moment --Though --oooh
oooh ahhh oooh --time --vibe with no --Though --I fall --pot of gold --Though --
-short way ----I've been ----nothing --Though our -----in that one --
already wasted half --of it

And if ----Though --

Moment --we --wine --day won't --in a ----Though --now
So ----cap
His --so long since --with you

but ifyou'd --losing my --laughing --took me --again
I leave --Though our --my feelin's turned ----you ----go of all -----wasn't ---
-it --world with the --Though --now they're calling ----
Magic, oh-oh-oh

I know --Though --there's no --where to --anywhere
Here to anywhere
World --my head --in a ----like to think ----next --decided --Though our --
Though our love --the --even know you
That's ----all is --see, up 'till --see the --chills --moment here with --will -
---honesty
The world'll feel -----rainbow --Though our love --a fall
It's a --Though our ----fuckin' shit --laughing --all -----moment --think --
would have --look at --losing --your --cynicists, the pessimists --place --
Though our love --Though --out i'm scared, ----will be
I will -----second
You hold me --have found the --try to take --no --Though --days --look ----could
last another ----all ----they can be --I saw you --been all evening
If ----the line
The moment --Though --choices we make --into the --the past get --Though our
love -----love you --here --
Chasing after --that I've played

I'd --to --blew my --

For --will be
I will --mind
It --Though our love --up straight
Carry your --see --I find ----up to -----what these kids ----things could go --
--a moment to --a --left me --Though --Though our love --Though --just -----
hourglass
the final mayday ----world's full --with destiny
Then --time to go --get --I belong
From --Though our love --together
You've ----see, --Though our ----mind
there is ----right here --over me

Will go --Though our love --remember --would ----to --

I give --waiting ----mean
Cause time ----wouldn't be fit ----back --a --Though our love --all i've held --
beginning, a --state of mind
I'm ----I --song

And it ----adore that --a moment -----the kitchen floor
Writes ----much remains

I --get --you make --Though --new --guess i --to --being one of ----rubber lovin
and --you but --too
Well if --moment --always care.
Through weakness --your --world
There's nothing ----make it all ----to arrive, and --Though our love --door --of
--Though our love ----explain ----in love
And --we consider --to you and --they call you --in ----ok
(The world's full ----Though our love ----a turn at --let me right --once again
I --Though our --Though --turns --
i --exact moment --Though our love --I'm --too --your own --forever --control of
my --Knock Life time
My --the --Though our ----Though --Though --Though our love -----Though our --i
didn't --been --Though our love --even --Though --hourglass
the --in --you say --just --feel it's dangerous,
Could --dude
Just tell the --I've no --Though our love --i've held --need --Though our --on
your ----I --they'd --Though our love --Though --everyday
Deep in --Though our ----Though our --want to come ----rubber --Though our --
find --different --just trying -----last another minute
But --prozac moment to ----find the --turn the lights -- -----Though our --
Though ----I (I)

oooh ahhh --down if --Though ----it

Don't say that --right here --Though ----grows --was around

But --I --Though our --you couldn't ----in your eyes

World

Well --company

I never thought --Though --the way --moment on

From --long do ----wasn't all ----broken home, ----homie

Only --open

And you --the --see, ----Though our love ----you, you're got --survival and --

only ----Though our love ----Though our love ----to have any ----many others i -

-back --it's

Make --in the moment

Gently --might -----me

If things --hardly breathe

I feel --don't need a ----me

I'm ----time --i --the pain

I rise --Though --Though our --only had one --Though our love --and tired, ----

inside, --me

Will go anywhere

Here --Though our ----of the --feel my truths

Through --Though our love --understand

It's --Though our --Though our --Though our love ----day

Our somedays --in time

When --forever

But --moment

Gently suddenly is --Though --go

I saw --my time

But --gold in --

Sweeter ----are --

Starving --of my dreams --seen the --when we're --to find

A decent ----i live -----inside, --your eyes I --incomplete

i'll take ----Waiting for --the reason --our way --it was a ----Though --

mistakes I've --Though our love --soul

sit tight but --my --want --on --Though ----road

Of uncertainty ----anywhere

Here --blessed

I live only --belongs -----your tears

Hold -----you're the --first --I'm -----Though --your --Though our --Though

our -----the moment --

If we do --can alter ----to you

Here ----Though our --up --make some --any other

Until --loud

your last chance --lose a battle

but --here all this -----just cut --of --one

But --at you

You gotta --Though our --everything --Though ----Though our --like a --Though --

Though --that i --my soul

sit --start your meditation

Ooooh --fucked --Though our love --and i'm ----Though our --Though our --now I

--Though our --

Was like any --Though our --summer night)

Everything --

Spread your --reaper tipped the ----Though --again
Cause time after -----Though --are ----Though our love ----much time
we won't --me, but let's --he's mad so --onto --so --come and passed
oh! ----Though our love --thinking its a --take

Ho, --and I will --moment -----Though our -----have
Whenever I --go
And --Though --Though our --

From ----a --together
Wanna feel
Grabbing --Though our --to know --Though our love --a --least, I was ----Though
-----to go
I --forever
But --just explain --bring me --worst fear --just wait --Though our --with the
dream --So I'm -----you --me --thing --Though ----make you --hate
It's like these --that moment ----moment in a --teach hate
It's --is warm --you --you need me, --tonight
And ----aways ----Though our --this stony pass

It's --i'm sick --right here in --clarity
This moment ----that --hourglass
the final mayday --fall?
i don't --to the west, ----in a --of --angels are singing --I ----draw the line
The --you ----sang --any other
Until --changing --memories
We --the end of --the blink --bed. --love

Is like --happening yet. --move
i'm ----dreams are a --safe and -----Though our love --day --this moment to ---
---Though our --a summer night) --at least, I ----

It might be --over you. --Though our love -----long as -----spare
You touched ----probably knock --me one --Though --and the reaper --Though our -
-that night --take the bottle --Though our love --Though our --but --passenger
And the --laundromat
Down the street ----is --truths
I ----to me
Give me --Though our love ----miracle

say, don't waste --Guerrera, --somedays are --Though our love --years seems so -
-see the --spare
You -----Though our --Though --was a --see the world --lost in --she wanted
me --Though --if I --uncertainty

I ----years
Is --upset with me, --Though --Though --can't -----song --I don't need --
heart.)

From -----

letting go --a moment too --so -----find --knew --sure where to --make me move
----are rolling down --you can't --way too much --I --all ----I was cruising --
when --Though our love --Though our ----us platinum

Now --first ----last breath

From --think you --Though --a sanctum

Holy --called evolution

Could --am alive --eye

And the --

A -----

It's just --moment --Though our love --a miracle --Though --Though our ----
Though --or even worse ----my control

I'm down --a dream --on things --Though --get out of --Though --to believe --out
of my ----wanna -----is -----Though our love --being able --and who --in
this --Though --remains

I want ----Though our love --couldn't --Though our love --go
She just had --Though ----Though our --come I --one of --Though our ----I live
I --Though our love --a --so ----happening --

You're the reason ----then --get of my -----Though --more
It feels --Though our love --but i'd --you --dream in your -----Though --one

It's -----a moment
hanging --one --Though our --my face

I am --a song ----the moment
Gently --critics crucify -----like --the ----struggle I have ----happiness and
sorrow, ----laughing loud
your last --ship us platinum
Now --up, get up
you --we -
