I looked at the skies, running my hands over my eyes.
 F#m Bm Em A7
And I fell out of bed, hurting my head from things that I said.

'Til I finally died,
which started the whole world living.
Oh, if I'd only seen that the joke was on me.

And I fell out of bed, hurting my head from things that i said.

'Til I finally died,
which started the whole world living.
Oh, if I'd only seen that joke was on me.
